APS BOWLING RESTRICTIONS: ONE-DAY CRICKET

Maximum Overs for Medium and Pace Bowlers: as determined by the umpires and broadly defined as one to whom the wicket-keeper would normally stand back, or one who is not considered a slow bowler.

Players Age:

The player's age shall be determined as their age on 31 August pre ceding each cricket season (ie. Under-19 players will be 17 or 18 on 31 August; Under-17 players will be 15 or 16 on 31 August etc.) and the appropriate bowling limitations shall apply for the entire season.

Bowling Limitations:

Bowling limitations apply at the following ages:

Under-19: A maximum spell of seven (7) consecutive overs. A bowler shall be permitted a maximum of one-fifth of the maximum number of overs to be bowled.

Under-17: A maximum spell of six (6) consecutive overs. A bowler shall be permitted a maximum of one-fifth of the maximum number of overs to be bowled.

Under-15 \geq : A maximum spell of five (5) consecutive overs. A bowler shall be permitted a maximum of one-fifth of the maximum number of overs to be bowled.

Length of Break

The break between spells is to be a half the number of overs bowled from the same end as the completed spell in a One Day (CV Rule 18) match, including scheduled intervals and any unscheduled breaks in play.

- (ii) A bowler who has bowled a spell of less than the maximum spell permitted for their age (defined above) may resume bowling prior to the completion of the necessary break, but this will be considered an extension of the same spell and the maximum spell limit for that age of player shall still apply. Following the completion of the extended spell, the normal break between spells will apply and the break within the spell is disregarded. If a bowler has completed the break between spells but did not bowl his maximum overs in the previous spell, he is entitled to bowl the maximum overs in his new spell.
