Start & Finish Area

The start and finish area will be at the ***'Pillars of Wisdom' on Alexandra Avenue.***

Please refer to the attached map.

Course Attendants & First Aid

Course attendants will be given a first aid kit/hi-vis vest to take out to their position before the races begin. Please collect from the Start/Finish area and return after the races conclude.

All participating schools will be assigned a Course attendant position, please make sure you have a staff member to complete this role.

Asthma

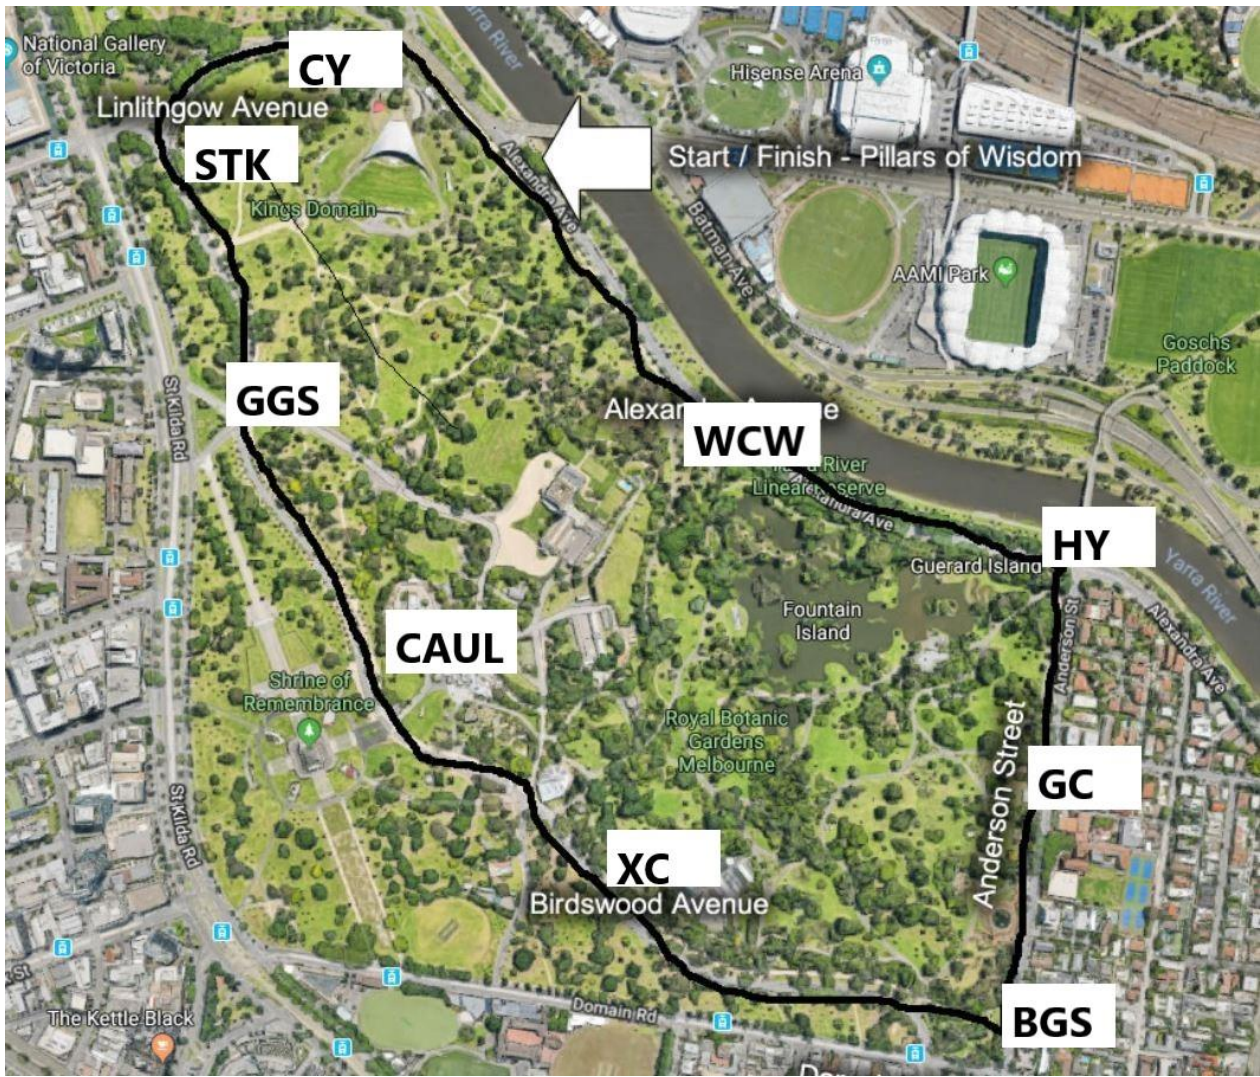

Please ensure that asthma puffers are included in all first aid kits. Also it is best to ensure any asthmatic runners are carrying their own Ventolin throughout the race.

Government House Drive

A staff member will be positioned at Government House Drive with a sign to stop any cars crossing during the race. This road is seldom used by cars; however, this is a requirement if we have runners crossing.

Race Timing - Boundary & Designated School Areas

It is important we keep the automatic *RaceResult* timing area clear of students who are not actively competing. We will put up bollards and a temporary boundary to highlight this area, please keep students who are not competing away from this area. We will also sign post student and staff areas for each school to gather before and after races.
