The aim of conducting sporting competitions for students in APS Primary schools is to:

- provide opportunities for students to experience a wide range of sports
- assist them to develop skills and an understanding of the rules of a number of sports
- develop a sense of fair play and experience many opportunities to be a part of a team
- develop competencies that enhance their participation in teams.

1. Any student participating in any APS Sport competition must be a bona-fide student. A bona-fide student is one whose name is on the school roll and who is in regular attendance and under regular instruction.

No student shall be eligible to represent the school in any APS Sport competition who has not been a bona-fide student of that School within the first fortnight of that term, unless they can show by medical certificate that they have been prevented by illness from attending school. Special cases shall be referred to the Heads.

2. **AGE GROUPS:** For all sports where age groups are used (Athletics, Cross Country and Swimming), SSV rules shall apply. (i.e., a competitor will be under that age according to their date of birth in the year of competition.)

If any student takes part in any APS Sport in contravention of Regulations General 1 and General 2, the school the student represents shall forfeit all matches, or in the case of the Athletics, Cross Country, Diving, Swimming sports, all places in all events in which the student took part.

Unofficial competitions may be held in other sports under the rules of the governing body in Victoria in each sport insofar as they do not conflict with anything hereafter.

4. **APS Primary Sport Coordinators** will meet at least once per term to review the rules of these competitions, and also to ensure that students from their schools are given opportunities to participate in School Sport Victoria (SSV) events. This includes the APS Primary Coordinators conducting trials to ensure that the appropriate students are put forward to trial for State teams.
5. These regulations shall be absolutely binding on the following Public Schools:

Brighton Grammar School, Carey Grammar School, Caulfield Grammar School, The Geelong College, Geelong Grammar School, Haileybury, Melbourne Grammar School, St Kevin's College, Scotch College, Wesley College and Xavier College.

6. Any proposal to alter these Regulations must be discussed at the Primary Sport Coordinators meeting, and voted upon by those present. Rule changes to specific sports should be considered with the best interests of the students in mind, and in conjunction with the APS Boys' & Girls' Regulations for Senior (Year 7-12) students. Changes to rules and regulations must not be in breach of the APS Boys' & Girls' Regulations.
7. **Primary Sports Coordinators** have their own Committee who appoint from their own numbers a Chair, who holds office for two years. The Minute Secretary and SSV Representative shall be the APS Executive Officer or appointee.
8. In the interests of safety and enjoyment, a student should be selected to play in a team commensurate with the student's strength and/or ability.
9. Schools should enter all teams and crews at a level commensurate with their ability, especially where a School does not enter all divisions.
10. **DISPUTES:** All disputes or claims arising out of any contravention of any Regulations governing sporting contests between Public Schools, or charges against individual players, shall in the first instance be referred to the Sports Coordinator of that school and the Chair of the APS Primary Sports Coordinators.
11. Coaches and/or staff members will be the sole person(s) in charge of the game. Staff/coaches are strongly encouraged to discuss with the opposition prior to the commencement of the fixture finishing times and any other details that should be agreed upon (e.g. boundary line).
12. The APS Sport Executive Officer shall ensure that copies of these Regulations are issued annually to all schools. These Regulations shall be checked and, if necessary, amended annually by a sub-committee appointed for this purpose by the Primary Sports Coordinators, and when approved, re-issued to schools before the end of the school year.
13. **Committee Responsibilities**
As a matter of principle, it should be clearly understood that the Chairs of APS Primary Sport Sub-Committees are the representatives of the APS Heads and the APS Primary Sports Coordinators Committee rather than the representatives of their own school. As such, they are expected to advocate and vote for the policy laid down by APS Heads and Primary Sport Coordinators.

Each Season, schools enter teams for various sports and the APS Sport office produces the fixtures, which are then confirmed at the Term-by-Term Primary Sport Coordinator meetings.

No school may make any concessions to any other school in contravention of any of these Regulations unless with the consent of an APS Primary Sport Coordinators meeting.

14. **Blood Rule:** In all APS games at all levels, it is accepted that a player must leave the playing area and be replaced while a blood injury is attended to. When attended to the player may return.
